

**BPS Networks Voice/Data DSL Contract for Internet Access Service**

This contract is made on \_\_\_\_\_ between BPS Networks and \_\_\_\_\_  
By my signature below, I am stating that I have read and will abide by the Acceptable Use Policy (“AUP”) statement. I further understand that this contract is for a term of **two years** ending on \_\_\_\_\_.

Reasons for termination of my account include, but are not limited to:

- Violation of the AUP statement
- Non-payment of account charges in a timely manner
- Customer Request

I understand and agree that if prior to the expiration of this contract, if my account is terminated for any reason, I will incur a non-refundable termination charge of \$185 prorated over the remaining length of the contract.

**IMPORTANT NOTE:**

When subscribing to voice/data DSL Internet Access Service, your internet is provided by BPS Networks, but your DSL circuit is provided by your local telephone company, BPS Telephone. This means that even if your BPS Networks account is in good standing, your DSL circuit will be disconnected if your phone service is disconnected **for any reason; which also includes transfer of service to a new address**. Your BPS Networks account will be considered in breach of this contract if the telephone service to the number or address listed below is disconnected for **ANY REASON**. In order to reestablish service for your voice/data DSL account, you can avoid the setup fee of \$185 by entering into a new contract with BPS Networks.
